Our Germany, Poland and Czech Republic tour is a great three country escorted motorhome tour experience.

We are taking you to some different places off the beaten track but also to some well known cities, towns and tourist attractions.

We hope this will be a relaxed tour with some cycling, walks, city/town exploring mixed with some good food and Eastern European beers!

The unmistakable experience of Auschwitz and all it means to civilisation to the Gingerbread Museum in Torun, there should be something for everyone.

### DAY 4 – 6

Arrive at Poznań (187 miles) Travel to Poznań in Poland to a lovely campsite that's 5km distance into the town centre.

Poznań is a pretty Polish town with an extremely attractive central square where you will find many restaurants and bars to fill a few hours people watching whilst enjoying a meal or refreshment.

Be at the Town Hall Tower at midday to see 2 billy goats (mechanical) emerge and butt horns 12 times.

### DAY 6 – 9

Travel to Torun (210 miles) a UNESCO World Heritage Site. It has been said that Torun is one of the most beautiful, medieval cities in Europe. The town was not hit by any bombs during World War II. The town is famous for Gingerbread and baking dates back nearly a thousand years. Torun has a Gingerbread museum. The famous astronomer Nicolaus Copernicus was born in Torun and the house where he was born and the Chapel where he was christened are still standing in the city. Great cafes, restaurants, shops and museums makes Torun a great place to visit. Group Lunch and Gingerbread Tour Included.

### DAY 9 – 14

Travel to Kraków (275 miles). Situated on the Vistula River, Kraków was the capital of Poland until 1596. The old town was the first ever UNESCO World Heritage Site. The 14th century St Marys Basilica with its stunning Gothic-style exterior, gilded interior and beautiful stained glass windows makes this a worthy visit. From here we will visit the notorious concentration camp of Auschwitz on a coach tour and an optional tour of the Wieliczka Salt Mine. Group Meal and excursion to Auschwitz Included.

### DAY 14 – 16

Travel to Olomouc in Czech Republic (165 miles). The campsite is situated by a river and is a 30min walk into the town. The old town is one of the most beautiful and best preserved in the country. The city hosts many water fountains and 6 are decorated in Baroque style each with a different mythical individual character. The oldest fountain dates back to 1623. ### DAY 16 – 20

Travel to Prague (180 miles). Prague is the 13th largest city in the EU and is known for its cobbled streets, preserved castles, Baroque and Gothic-style cathedrals, medieval squares and bridges. ### DAY 20 – 22

Travel to Dresden (95 miles) for our last stop. Situated by the river Elbe the city of Dresden suffered almost complete destruction in WWII. This was followed by neglect by the Soviet regime after the war. Today Dresden is a stunning city to enjoy and very little of the destruction can be seen. After the bombing of WWII the ruins of the Frauenkirche church were saved and catalogued. When the church was rebuilt nearly 4000 of the original stones were used.
